# Inauguration of the Drinking Water Supply Project for Same and Mwanga Districts to Enhance Water Security in Tanzania

In the presence of H.E. Dr. Samia Suluhu Hassan, President of the United Republic of Tanzania, SFD, represented by Mr. Mohammed bin Adhan Al-Shammari, Director General of African Operations, participated in the inauguration of the Drinking Water Supply Project for Same and Mwanga Districts, which was funded by SFD through a concessional development loan of USD 25 million.

The project aims to establish an integrated water transmission network with main pipelines

spanning over 160 kilometers, along with the construction of a 7,500-cubic-meter reservoir, to deliver clean water to households in 16 beneficiary villages. The project also includes three water tanks in the city of Same and installation of household connections to meet the drinking water needs of communities across the country.
