# The Saudi Fund for Development Inaugurates a Regional Hospital to Support the Health Sector in Ghana

The President of the Republic of Ghana, H.E. William Nana Addo Dankwa Akufo-Addo, and the SFD represented by the Director General of Africa Operations, Mr. Mohammed bin Adhan Al-Shammari, participated in the inauguration of the Bolgatanga Regional Hospital renovation and expansion project in Ghana. The project was financed by the SFD with a total value of \$32 million. The inauguration ceremony was also attended by H.E. Sultan Al-Dakhil, the Ambassador of the Custodian of the Two Holy Mosques to Ghana. The project included the construction of various buildings, including specialised medical departments, emergency departments, maternity and pediatric wards, emergency units, and the provision of modern medical equipment, all with the goal of reducing the spread of diseases and epidemics and improving the quality of comprehensive health care.

**Funded by SFD, the Flacq Teaching Hospital, with a Capacity of 575 beds, has Officially Opened its Doors in the Republic of Mauritius.**

Mr. Abdullah Al-Saif, Director General of Loan Operations at SFD, H.E. Prime Minister Pravind Kumar Jugnauth, and H.E. Health Minister Dr. Kailash Kumar Singh all participated in the inauguration of the Sir Anrod Jugnauth Hospital (Flacq Teaching Hospital) in Mauritius. This \$50 million project, was funded by a concessional loan from the SFD.

With a capacity of up to 575 medical beds and a total area of approximately (95) thousand square meters, the hospital seeks to improve the efficiency of Mauritius' health system by providing the highest standards of health care and disease prevention, train future health care professionals, and upgrade existing services to ensure high-quality, accessible treatment to all patients
